WHEREAS, the Department has been designated to cooperate with the Federal Government and with all other departments or agencies of the State in any plans established in cooperation with the Federal Government, and is authorized to contract with State or local units or Government and private agencies under the provisions of MCLA 400.10: and

WHEREAS, the Department and Tribe has lawful authority to enter into this Agreement pursuant to Section 109 of the Indian Child Welfare Act of 1978, 25 USCA 1919.

WHEREAS, Mr. Ken Meshigaud has lawful authority to bind the Tribe to the terms of this Agreement.

NOW, THEREFORE, in consideration of the above, and in consideration of the promises and mutual covenants hereinafter contained, the parties hereto agree as follows:

1. Purpose

The purpose of this Agreement is to provide Children's Protective Services coverage to the members of the Hannahville Indian Community residing on Tribal Trust Land in Menominee County, Michigan. To authorize protective service workers of the Michigan Department of Social Services to act on behalf of the Tribe under the Tribe's child welfare code, and to clarify the respective authority and responsibilities of DSS and Tribal workers.

2. Protective Services Coverage on Tribal Trust Land

Under the Indian Child Welfare Act of 1978, the Tribe has exclusive jurisdiction over child welfare matters of its members who reside upon Tribal trust land. Notwithstanding this, the parties wish to authorize DSS protective service workers to act on the Tribe's behalf to protect the welfare of its members as follows:

- a. The Tribe hereby designates the Michigan Department of Social Service' workers of the Menominee County Social Service offices as Tribal Social Workers under the Tribe's child welfare code. DSS workers will exercise full authority of Tribal Protective Service Workers under said code.
- b. DSS agrees to provide protective services coverage on Tribal trust land in Menominee County according to Act No. 238 P.A. of 1975, as amended and DSS policy for providing protective services.
- c. It is intended that the authority conferred upon DSS workers by this Agreement is to be exercised **when Tribal child welfare workers are unavailable**. This confers primary responsibility for responding to protective service matters after working hours and on weekends or holidays to the DSS workers handling emergency reports. During business hours, protective service matters will be referred to tribal child welfare authorities. However, DSS workers may act in an emergency situation when exigencies of the situation do not permit delays in action. DSS workers need not contact tribal authorities prior to acting under this Agreement in emergency situations.
- d. DSS Protective Service Workers do not have the authority to remove children without prior court approval. The Tribal Judge/Magistrate responsible for Indian Child Welfare will be contacted by DSS Protective Service Workers prior to removing a child on an emergency basis. If the situation arises that the Tribal Judge/Magistrate cannot be located, the DSS Protective Service Worker will notify Tribal Police of the emergency and request that the child be removed by them. The Tribal Judge/Magistrate will be notified no later than the next business day of the emergency removal of the child by the Tribal Police.

In the event that a child is taken into custody by DSS workers under this Agreement, the placement decision shall be made by the DSS worker with placement priority as follows, when feasible:

1. In the home of a responsible relative of the child.
 2. In a Tribal shelter care home.
 3. In a DSS shelter home.
- e. The parties agree that responsibility for continued supervision of a child taken into custody by DSS workers under this Agreement shall be transferred to the Tribal authorities upon demand or on the next working day following removal from the home.

Cases requiring transfer to the Tribal authorities include not only those involving tribal members, but also those involving Native Americans found on trust land. Cases involving non-Indians investigated on trust land shall be retained by the DSS worker and processed through Probate Court.

- f. DSS workers will provide a written report of each call it receives on Tribal trust lands to Tribal Social Workers.

3. Shelter Care Costs

The Tribe shall be responsible for shelter care costs of children placed in foster or shelter care by DSS workers under this Agreement. Determining the financial responsibility for placement costs incurred in placing Native American children remains the responsibility of the Tribe.

4. Court Proceedings

Tribal authorities shall determine whether a petition for continued custody is filed in any case where a child is taken into custody with a court order. DSS workers shall be available to participate as witnesses in Tribal Court in the event such is required. The Tribal authorities shall be responsible for prosecution of the case in Tribal Court.

5. Police Services

- a. Trust lands in Menominee County are under the jurisdiction of the Hannahville Indian Community Tribal Law Enforcement for the purposes of police protection.

- b. The parties anticipate that law enforcement jurisdiction will not shift pursuant to Federal Law. In the event that a need for police protection occurs, the Tribe agrees that it will provide for police assistance to DSS workers under arrangements for law enforcement then pertaining.

6. Actions Against The Department

Any actions brought against DSS or its employees for any alleged acts or omissions occurring on or off Tribal lands arising out of or connected to the performance of this Agreement must be brought in the appropriate courts of the State of Michigan and not the Tribal Court which shall decline to exercise jurisdiction over such actions, and all such actions shall be governed by the laws, procedural and substantive, of the State of Michigan including those laws pertaining to the immunity of the State and its employees.

7. Information And Training

The parties agree to provide information and training copies of relevant manuals and codes to each other to assist in implementing this Agreement.

Agreement**
